

08.05.25

Dear Parents and Carers,

Reading workshop for Parents and Carers

We are delighted to invite you to a Reading Workshop at West Kirby School and College on **Tuesday June 10th, 2025**, from 9:30 am to 11 am. This is for parents/carers across all year groups.

This workshop aims to provide valuable insights into how our school supports reading development among our pupils. During the session, we will cover:

- the different reading programmes we implement across Primary & Secondary, and the interventions that run alongside them.
- Discuss ways in which you, as parents and carers, can collaborate with us to enhance your child's reading progress.

The reading team will host the workshop and be available to answer any questions. This will be an excellent opportunity for you to better understand our reading strategies and explore practical ways to support your child's reading at home.

Tea, coffee, and cake will be provided for your enjoyment. Please note that the children will remain in their classrooms during this time and will not be attending the workshop.

We hope you can attend this informative session and look forward to seeing you there.

Please email your child's class teacher to let the school know if you intend to join us.

Best regards,

Mrs Eccles & The Reading Team.
