

Can we help you with your family meals?

We are offering each family the chance to have a slow cooker and a weekly meal pack of ingredients to cook.

How it works:

- You sign up for a slow cooker
- Tell us how many people in your family
- Tell us if you want a meat or veggie meal pack
- We send you a slow cooker (home with your child)
- We send a meal pack weekly in a cool bag
- You send the cool bag back for more ingredients
