changing children's lives*

We are West Kirby Educational Trust

Our schools, **Acre View Primary School & West Kirby School and College** are located in North West England.

We deliver an ambitious and diverse curriculum within our neurodiversity affirming settings. By promoting self-advocacy and independence, our children and young people shape their own pathways to achieve their aspirations and thrive in society.

Our Clinical and Support Services teams are an intrinsic part of our pupils' education, facilitating effective learning, personal development, and empowering success. This includes Clinical Psychology, Occupational Therapy, Speech and Language Therapy, Home School Liaison, Medical and Pastoral Care.

"The most powerful leadership tool you have is your own personal example."
