

Dear Parents and Carers,

Edulinkone – School Communications App

At West Kirby School and College we use **Edulinkone** app for our school communications with parents and carers. This is aimed at being a simple effective way of communicating with you and we encourage as many of our parents and carers to actively use it as possible.

Edulink can be accessed via an App on a mobile or, or simply on a browser window on a computer.

Key features:

- Emails/messages (These are all viewable in one place)
- Timetables
- Homework
- Attendance information
- School Calendar
- Contact information - you can view and update your contact information we hold
- Useful links to the website e.g. menus, uniform shop, learning & wellbeing resources

Coming soon

- Parents Evening appointment booking
- School reports
- Achievements

How to get started?

We will be emailing home Edulink user login information. Please follow the links on the email. This involves a only a few simple steps. Further helpful information on how to set it up can be found here: <https://www.wkrs.co.uk/edulinkschoolapp> or on the Parent Guide attached.

If you need support logging in or how to use Edulink please us on community@wkrs.co.uk.

Kind regards

Mrs Kelleher & Mr Macdonald

Communications Manager & Parent Engagement Facilitator
