

Ref: Humanities field-trip: Wed 15th April 2026

Dear Parent / Carer

As your child/ward is currently completing a GCSE in History and/or Geography, they are required to complete field-work within each subject. For the past couple of years we have completed this as a Humanities department. This year we are heading to Eryri (Snowdonia) as it captures the elements for both subjects.

The field-work for Geography involves following a river from source to mouth, analysing and recording changes in bedload. For History we will look at how Castles in the area controlled the landscape, this ties in with both the Norman Conquest and Power & the People.

Dates, accommodation & cost

We are proposing staying in Eryri from Wednesday 15th April and returning the pupils back to school on Friday 17th for 5pm. The accommodation is solely for our use and there will be no other schools using facilities during our stay. There is no cost for this field trip.

Please email Mr Cox at ecox@wkrs.co.uk to give permission or return the slip below.

Thank you,

Elliot Cox
